

Pickens County Sheriffs Scholarship Foundation

Invitational Golf Tournament

FACT SHEET

In 1989 the Pickens County Sheriff's Office established a scholarship fund to perpetually provide educational opportunities for officers and their children. The goal of the scholarship fund is to help these individuals better equip themselves with the skills necessary to solve problems facing our community in the 21st Century.

Over the past twenty three years over \$233,000.00 has been awarded in scholarships. These scholarships are made possible through concerned businesses and individuals that donated to the Sheriffs Invitational Golf Tournament.

Our 2011 Tournament will be held Tuesday, October 4th at the Pickens Country Club. This will be the 23nd year for our tournament.
